STUDENT SERVICES

We strive to build a supportive and fun learning environment, and offer a variety of activities for students. Events such as welcome day, lunch & learns, career and community fairs, fitness challenges, family swim or bowling nights make NWC a great place to go to school.

NWC Supports Students who may seek support to address personal or academic barriers to success. Students may also contact Student Services for referrals to outside agencies or access to educational supports, such as tutors.

CAREER SUPPORTS

Are you just out of school or between jobs? Are you looking to make a career change? Contact us to assist you with your career decisions and training plans. We will help you reach your goals. Our supportive staff can assist you with:

One-on-one confidential career planning, portfolio development, resume building, academic planning, job search skills, and financial assistance options.

EDUCATION RESOURCE SERVICES (ERS)

North West College wants to see you succeed! The goal of the Education Resource Consultant is to find ways to accommodate learning for students, in spite of a limitation or barrier. This could include the use of specialized equipment or software to meet learning needs, finding a quiet place for exams, extra time or having an oral exam.

The ERS Consultant can assist with completing applications for grants to help pay for special services or equipment, providing communication with instructors regarding a learning accommodation and provide support in a wide variety of learning needs.

For more information about the ERS department, book an appointment with the Education Resource Consultant to discuss your specific learning needs. Confidential support and encouragement is provided to all who contact the ERS department.

HEALTH CARE

CONTINUING CARE ASSISTANT (CCA)

Battlefords & Meadow Lake Campus

The CCA program allows you to make a difference in someone's life everyday. This program is a one-year certificate program. You'll work directly with clients in long-term care, home care, assisted living, and even special needs classrooms. You will help them with mobility, personal care, assisting them to eat their meals and medication monitoring. Your clinical work experiences will give you a taste of different work settings and a strong foundation as a health care support staff. Part-time programs are available by modules.

REWARDING CAREERS.

PRACTICAL NURSING

Battlefords Campus

The two-year Practical Nursing diploma program trains you to be a vital part of today's health care team. You will learn to provide compassionate, professional nursing care to a full range of patients from infants to seniors in acute care, long-term care and within the community. You will get hands-on clinical experience allowing you to grow into a confident nurse before entering the job market.

PSYCHIATRIC NURSING

Battlefords Campus

Psychiatric Nursing is a two-and-a-half-year diploma program delivered via classes, labs and practicums. Experienced faculty will help you link theory with practice to help clients with mental illness, psychiatric disorders and developmental and/or cognitive difficulties function at their maximum potential. You will build a strong foundation in psychiatric nursing practice, including health assessment and interventions; mental health challenges; counselling models and therapeutic relationships; family and community partnerships; psychotropic pharmacology; and addictions and forensics.

GED® MATERIAL

The GED® study guide, available at the College bookstore, is a valuable tool for students preparing for GED® testing. The guide provides extensive review in all 5 test areas as well as answers with full explanations. Cost: \$35

GED® EXAMS

The computer based GED® Exam is made up of 5 subjects: Mathematics, Reading, Writing, Social Studies, and Science. Exams are \$7 per subject. You can write one exam or multiple exams in one sitting. Visit **www.GED.com** to create an account.

LEVEL 1 - LITERACY

Level 1 Literacy programs are designed to help adult learners in their everyday lives. The focus is on those general skills, abilities, and aptitudes needed to function in day-to-day life.

LEVEL 2 - PATHWAYS

Level 2 programs can be focused on academics or employment readiness. They are designed to develop skills, attitudes and abilities to help students gain prerequisites for further training or employment. They focus on enhancing skills such as technological literacy, communication skills, portfolio development and life skills.

LEVEL 3 - ADULT 10

Level 3 courses (Communications, Social Studies, Life/Work Studies, Mathematics and Science) are designed for people who want to build on their knowledge and skills. Learners who complete Level 3 successfully go on to further education, training, or employment opportunities.

LEVEL 4 - ADULT 12

Level 4 students are required to complete seven 30-Level credits including: English (2 credits), Math (1 credit), Science (1 credit), Social Studies (1 credit), and Electives (2 credits). Students may be eligible to receive a Prior Learning Credit as one of their electives if they have 20 weeks of full-time work experience or have completed a course that is equal in weight and rigor to a 30-level course.

ESSENTIAL SKILLS FOR THE WORKPLACE (ESWP)

ESWP programs focus on providing learners with enhanced literacy and numeracy skills, and incorporating employment information and readiness (including work placements) into programs. These programs are designed to assist participants to enter the workforce.
