

North West College

Call out for: Substitute Instructors & Tutors

North West College is seeking substitute instructors for Adult Basic Education (ABE) programming within our region.

ABE Level 2 Instructors require a bachelor degree and experience in training adults in literacy, life skills or employment readiness.

ABE Level 3 & 4 Instructors with a specialization in Math 10/30, Foundations of Math 10/30, Trades Math, Biology 30, English 10, and Social 10 require a Bachelor of Education and must hold or be eligible to hold a valid Saskatchewan teaching certificate.

Daytime or Evening Tutor required for Math, Biology & Humanities.

If you are interested in becoming a substitute instructor and or tutor with North West College, please submit your resume, including which geographical areas you are interested in, to nwrccareers@northwestcollege.ca.
