An email was sent to all staff and students regarding the establishment of COVID-19 Information 'event' on the main page of the website. This campus event will be updated on a regular basis to ensure our community has the latest information regarding the pandemic on an easily accessible platform.

A dedicated email (COVID19@northwestcollege.ca) has been created to ensure questions are addressed in a timely and organized manner.

The College Executive Management continues to meet with provincial officials to coordinate efforts in regards to campus health and safety.
