---

**Main Responsibilities:** Reporting to the Program Coordinator, the Instructor is responsible for organizing and delivering the Meat Cutting courses of the Forest to Fork program. The Instructor:

- Prepares course outline and classroom instruction content to meet curriculum requirements.
- Identifies resources required for program delivery.
- Delivers classroom and lab instruction consistent with the established curriculum, learning outcomes, instructional plans, learning objectives and with adult education principles.
- Utilizes adult education principles, methodologies and techniques including determining when different teaching styles are required to address differing learning needs.
- Implements student examinations and learning assessment tools that meet and follow the curriculum and College guidelines, standards and requirements.
- Implements in the course presentation, references to life and cultural experiences that connect to the subject material and enhance student comprehension and learning.
- Organizes and manages the classroom and lab to ensure an optimum learning environment.
- Establishes, communicates and implements classroom participation and activity protocols, procedures and expectations.
- Administers the College attendance policy including recording daily student attendance and reporting attendance.
- Engages with, motivates and provides support to students in order to contribute to a positive and successful learning experience.
- Monitors and provides feedback on student classroom and lab participation and learning progress.
- Counsels students on classroom and lab participation and study techniques to enhance their learning ability and success in the program.
- Records and submits student assessment and evaluation marks on all tests, assignments and projects.
- Identifies student learning issues and refers students to, or consults with professional assistance.
- Implements student learning assistance plans as may be established.
- Assumes responsibilities outside the classroom by participating in College projects, programs, and activities as needed.
- Performs other responsibilities and duties as may be assigned to contribute to the success of student learning and a positive participation experience in College programs and activities.

---

## Teaching Assignment:

Courses include:

- Safety & Tools
- Muscle and Skeletal Structure
- Processing the Hind of Beef
- Processing the Front of Beef

---

## Qualifications, Skills, Abilities and Experience:

- A Journeyperson Meat Cutter certificate.
- A minimum of two years' experience as a Meat Cutter.
- A combination of relevant education and experience may be considered.
- Knowledge of and ability to use and operate standard office software including word processing, e-mail, spreadsheets, power point and the internet.
- Knowledge and ability to use standard office and classroom equipment.
- Ability to apply the principles, methodologies and techniques of Adult Education.
- Ability to identify student learning challenges and difficulties.
- Ability to organize, prepare and present information in a concise and complete manner which will allow others to understand and comprehend the course material and learning objectives and achieve desired learning.
- Ability to engage with students in a positive manner that assists and motivates them and contributes to their learning success.
- Demonstrated ability to have positive interpersonal relationships with all educational stakeholders: staff, partners and clients.
- Ability to work within a multi-cultural environment and to promote and encourage diversity, individual dignity and mutual respect.

- Ability to plan, organize, schedule and prioritize work and activities and perform effectively taking into account interruptions, conflicting and changing priorities and demands and application of deadlines.
- Ability to analyze, conceptualize and synthesize student needs and adapt teaching styles when necessary.
- Ability to manage classroom behavior and encourage and manage discussion groups with differing language skills, opinions, experience and backgrounds.
- Ability to work independently as well as collaboratively with a variety of individuals including colleagues, managers and students to establish and maintain a positive working relationship to achieve operational and program effectiveness.
- Ability to establish and maintain records appropriate to support program operational and information needs.
