- Develops participant employment and learning plans.
- Delivers workshops using a variety of training strategies and techniques, including technology enhanced learning.
- Organizes and manages the classroom to ensure an optimum learning environment for all students. Monitors and counsels students on classroom participation and behavior, learning progress and study techniques
- Facilitates participant work placements.
- Records class attendance, marks, observations regarding student participation and progress, and incidents and reports to Supervisor as warranted
- Performs other responsibilities and duties as may be assigned to contribute to the success of student learning and a positive participation experience in College programs and activities.

Course and Workshop Assignment (may include, but not limited to):

Development & facilitation of courses and workshops, including: Skills in Communication, Workplace Numeracy, Personal Development, Work Placement, ISSA Certified Custodial Technician Course

Qualifications, Skills, Abilities and Experience:

- Grade 12 matriculation with post-secondary training in adult literacy, life skills coaching or job coaching.
- Familiarity with lawn care equipment and small tools an asset.
- Demonstrated experience in the development and facilitation of workshops to clientele.
- Knowledge of and ability to use and operate standard office software including word processing, email, spreadsheets, PowerPoint and the internet.
- Ability to conduct research and evaluation methodologies to determine applicable and relevant course content and instructional aid materials to effectively present curriculum content and contribute to success of student learning.
- Ability to utilize informational and critical listening skills.
- Ability to organize, prepare and present information in a concise and complete manner which will allow others to understand and comprehend the material and learning objectives and achieve desired learning.
- Ability to engage with students in a positive manner that assists and motivates them and contributes to their learning success.
- Demonstrated ability to have positive interpersonal relationships with all educational stakeholders: staff, partners, and clients.
- Ability to prepare and deliver appropriate clear and concise communications, both orally and in writing.
- Organizational skills to identify needs and establish priorities among competing demands.
- The knowledge and ability to implement strategies to promote and encourage diversity, individual dignity and mutual respect.
- Ability to manage classroom behavior and encourage and manage discussion groups with differing opinions and experiences.
- Ability to work independently as well as collaboratively with a variety of individuals including colleagues, managers and students to establish and maintain a positive working relationship to achieve program effectiveness.

- Ability to plan, organize, schedule and prioritize work and activities and perform effectively taking into account interruptions, conflicting and changing priorities and demands and application of deadlines;
 - Ability to establish and maintain records appropriate to support program operational and information needs.
 - Must possess a valid Saskatchewan Driver's License and be willing to travel.
-
