2022 School Package

Try-A-Trade Interactive Career Fair 2022 plans are well underway! This unique career fair allows students to have hands-on experience with the trades and exploring an exciting as well as rewarding career in the trades.

It's projected that by 2023, there will be approximately 34,200* positions available in the construction trades due to retirements and the growth of trades sectors. Additionally, with demand in the agriculture, tourism and service sector, motive repair sector, and production and maintenance sector, there is no better time than now to aid in shaping the future of Saskatchewan's youth.

School registration forms are due on October 20th, however to ensure your desired time slot; please register prior to the deadline.

*BuildForce Canada: Construction & Maintenance Looking Forward 2017-2026 (accessed August 8, 2017); available from <http://publications.gov.sk.ca/details.cfm?p=84268&cl=5>.
