

# The 8<sup>th</sup> Annual TRY-A-TRADE Interactive Career Fair in North Battleford

## Exhibitor Package October 17<sup>th</sup>, 2018

Dear Exhibitor:

Welcome and thank you for choosing to be a participant at the 2018 Try-A-Trade Interactive Career Fair.

Please take a moment to read the exhibitor's information packet. This will provide you with all the necessary information to help make your participation in the show more organized and profitable both to your organization and your audience.

This event is focused on promoting careers in trades in which today's youth, parents and job seekers will be able to explore a wide range of options for a career in an industry that employs more than 1.3 million Canadians. It will also give your company a unique opportunity to promote your industry and to provide information for today's youth.

By being part of this year's Try-A-Trade, you are helping to broaden patron's minds on the endless opportunities they are presented with today. You are also helping to address the gap of the forecasted shortage of people in trades in the next three years.

There will be a multitude of schools attending as well as other post-secondary institutions.

We are expecting up to **1,200** students. The general public of North Battleford is also invited.

Again, thank you very much for helping change the future of trades.
