Things to discuss with your students:

- Students should wear appropriate durable clothing - like jeans and close-toed shoes.
- Be mindful that each group has approx. 2 hours, so choose the activities you would like to do most at the beginning.
- Lunch is available at the venue for students. Lunch combos need to be preordered by October 3, 2023.
- Many of the exhibitors are local business owners that are volunteering their time and equipment for the event, please ask students to be respectful of the staff, tools, and equipment that they are using.
- Please have appropriate teacher supervision for the number of students you are bringing to the career fair.
- Please remind students they are not to enter the volleyball courts or use the second floor.
- Bathrooms are located close to the canteen on the main floor. Students are not permitted to use the washrooms on the second floor unless there are facility issues on the main floor.
